Re: Use of the Contingency Cash Reserve Fund

Mr. DeWitt:

I write to request the use of the District's Contingency Cash Reserve Fund in accordance with section 450A of the District of Columbia Home Rule Act (D.C. Official Code § 1-204.50a). Specifically, I am requesting that \$22,500,000 be allocated to the Office of Contracting and Procurement for the purchase of medical equipment, personal protective gear and other supplies and equipment to respond to the increased need for medical services due to COVID-19. Due to the nature of the pandemic, and its anticipated impact on the District's residents, businesses and visitors, we will submit additional requests as needs are further identified.

This allocation will be repaid in a future budget and financial plan.

Sincerely,
