A CONFERENCE ON

MILITARY CONNECTED CHILDREN WITH SPECIAL HEALTH CARE NEEDS AND THEIR FAMILIES

NICHD and The HSC Foundation invite military families, leading civilian and military researchers, providers of educational and health care services, and other stakeholders who care for the mental and physical health of children and families connected to the military to discuss this important topic.

WHERE

Natcher Conference Center (Building 45)
NIH Main Campus, Bethesda, Maryland

WHEN

April 14 7:30 a.m. - 5:00 p.m.
April 15 7:30 a.m. - 4:00 p.m.

The NIH Campus is easily accessible by Metro, via the Medical Center stop on the red line. Seating is limited and will be on a first come, first serve basis.

What do we know about the health status and the demographics of military children with special health care needs?

What gaps are in our knowledge about these children and how can we address these gaps?

How can research and service improve the health and quality of life for these children and their families?
