1 DEPARTMENT OF MOTOR VEHICLES

Mission: The mission of DMV is to promote the safe operation of motor vehicles and public safety while providing outstanding customer service.

Services: The DMV provides service to approximately 600,000 licensed drivers and identification card holders (out of a population of more than 650,000) and 300,000 registered vehicles at four service centers. We conduct adjudication services and collect ticket payments for 2.5 million tickets each year. We also conduct approximately 150,000 annual vehicle inspections. Combining these services into a customer centered, mission driven organization is the responsibility of the Agency Management Division. Department performance expectations are listed by functional division.
