- Mitigation
  - Closeout, lesson learned

# Best Practices in Grants Management

- Difficulties in Finding Funding/ NOFO
- Current Initiatives/Collaboration
- Mitigation Integration

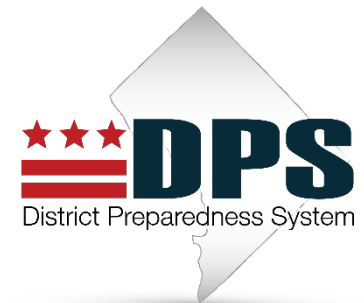

# What do you need funding for?

- Nobody will pay for it
  - Water Safety Equipment
- It costs too much.
  - School Assessments
- They won't approve it.
  - Computer Software
- It's been tried.
  - Microgrid

# Plans, Initiatives, & Projects in the District

# Why Mitigate?

On average,

**\$1** spent on  
**HAZARD MITIGATION**

provides the  
**NATION**  
approximately

**\$6** IN FUTURE  
**BENEFITS**

# Funding

Pre-Disaster  
Mitigation

Flood Mitigation  
Assistance

Hazard Mitigation Grant Program

- Requires a disaster
- Unlimited project submittal

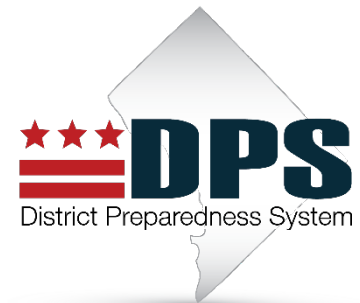

# Cost-Share Requirements

## In-kind match vs. cash match

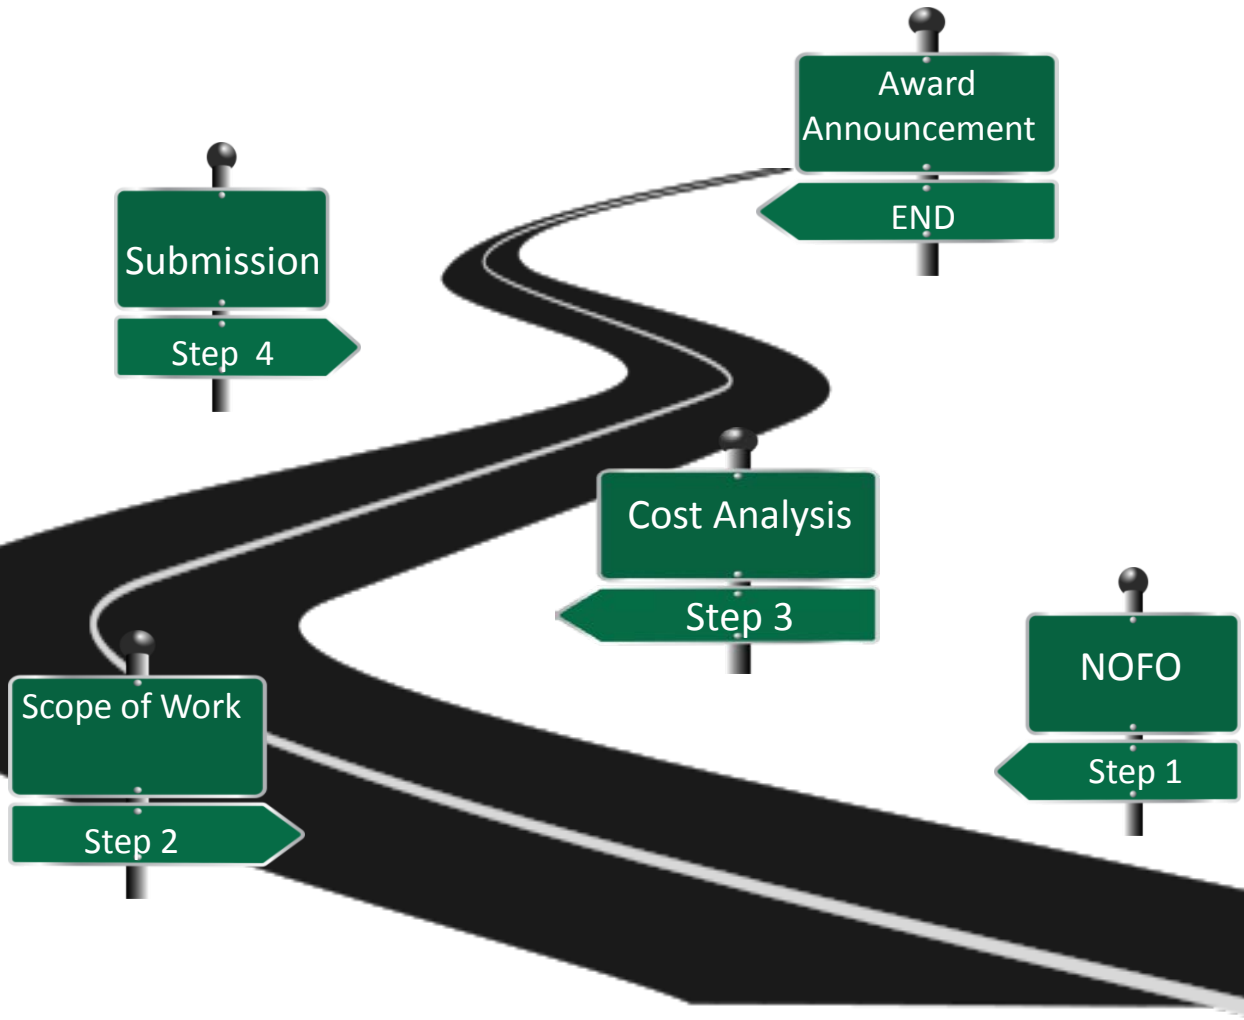

- Donated Goods
- Donated Services
- Value of donated services and/or goods  
↓ ↓ ↓  
Labor, space, vehicles  
training, supplies,  
equipment, travel
