- Data Not Available:
Objective 1: Successfully operate the Office of Government Ethics.

Initiative 1.1: Establish the Office of Government Ethics and hire critical personnel (One City Action Plan Action 3.8.3).

This initiative was fully achieved. By the completion date, the Office of Government Ethics was established and fully staffed. It was and is operating and handling all statutorily-mandated functions.

Initiative 1.2: The Director of Government Ethics shall produce and publish online a quarterly report.

This initiative was fully achieved. The Office of Government Ethics was required to post online four quarterly reports for FY 2013. The Office of Government Ethics met this requirement and posted online all four quarterly reports in a timely manner, within days of the end of each quarter.

Initiative 1.3: Conduct a detailed assessment of national best practices of government ethics law, ethical guidelines, and requirements for employees and public officials.

This initiative was fully achieved. BEGA issued its first annual Best Practices Report on April 17, 2013. It addressed all of the required recommendations (#1-7) and included 10 recommendations as part of #8 (any other matter).

Initiative 1.4: Produce ethics training materials, including summary guidelines for all applicable laws and regulations and produce a plain-language ethics guide.

This initiative was fully achieved. In FY 2013, BEGA produced a plain-language ethics guide, entitled the Ethics Manual. It has been revised and updated to include changes in the law, including changes to the Hatch Act and financial disclosure statement laws, and other regulations. It is available on the BEGA website. In addition, during FY 2013, BEGA has conducted more than two dozen ethics trainings with District agencies, as well as District Boards and Commissions. The training materials are available on the BEGA website.

Initiative 1.5: Operate a confidential, anonymous telephone hotline to receive information related to violations, administration or enforcement of the Code of Conduct.

This initiative was fully achieved. During FY 2013, BEGA established a confidential, anonymous telephone hotline. During each workday, the hotline is staffed by BEGA investigators who respond to caller inquiries. Outside of normal working hours, the hotline telephone receives voice mail messages, to which BEGA investigators respond on the next work day.
OBJECTIVE 2: Successfully operate the Office of Open Government.

INITIATIVE 2.1: Establish the Office of Open Government and hire critical personnel.

- This initiative was partially achieved. The Director of the Office of Open Government was successfully hired in FY 2013. However, the onboarding of a staff attorney and an IT Specialist had to be deferred until FY 2014 when funding became available.

INITIATIVE 2.2: Develop policies under which the Office of Open Government will Operate.

This initiative was fully achieved. Currently, the Office of Open Government is staffed solely by the Director. The Director of the Office of Open Government established the mission for the office; established procedures for the timely posting of advisory opinions and final dispositions on the BEGA website; and established training protocols for compliance with the Freedom of Information Act and the Open Meetings Act.
