PREAMBLE:

This Compensation Agreement is entered into between the Government of the District of Columbia Department of Mental Health and National Union of Hospital and Health Care Employees, 1199 (NUHHCE), American Federation of State, County, and Municipal Employees (AFSCME), Local 3758, AFL-CIO, as certified by the Public Employee Relations Board (PERB).

The Agreement was reached after negotiations during which the parties were able to negotiate on any and all negotiable compensation issues, and contains the full agreement of the parties as to all such compensation issues. The Agreement shall not be reconsidered during its life nor shall either party make any changes in compensation for the duration of the Agreement unless by mutual consent or as required by law.

ARTICLE 1: WAGES

SECTION A: FISCAL YEAR 2008

Effective the first full pay period beginning on or after October 1, 2007, bargaining unit employees actively on the payroll shall receive a three and one quarter percent (3.25 %) pay adjustment/increase.

SECTION B: FISCAL YEAR 2009

Effective the first full pay period beginning on or after October 1, 2008, bargaining unit employees actively on the payroll shall receive a four percent (4 %) pay adjustment/increase.

SECTION C: FISCAL YEAR 2010

Effective the first full pay period beginning on or after October 1, 2009, bargaining unit employees actively on the payroll shall receive a four percent (4 %) pay adjustment/increase.

SECTION D: DIFFERENTIALS

Pay for shift differentials shall be paid in accordance with the current practice of the CMTA as it reads at the signing of this Agreement subject to any changes in the law. The existing twenty-five percent (25%) Sunday premium shall remain in effect. All part-time employees working Sundays shall receive the above referenced differential. Neither party shall seek to change the law.

ARTICLE 2: OPTICAL AND DENTAL PLANS

DMH bargaining unit employees are covered by the Optical and Dental Plans provided by the District of Columbia and applicable to employees under the personnel authority of the Mayor. The District shall provide Optical and Dental Plan coverage at a level of benefits comparable to the plan(s) provided on the effective date of this agreement. District employees are required to execute an enrollment form in order to participate in the Optical and Dental program. Should the District government decide to expand the list of eligible providers or make any modifications to these plans, the Employer shall notify the Union and the members of the collective bargaining unit of the change(s). To the extent the Department is permitted by the District to participate in the benefit or provider selection process, the Department will participate in the process.

ARTICLE 3: ADMINISTRATIVE CLOSINGS

SECTION A:

Essential employees required to work when all other DMH employees are released due to an Administrative Closing shall be compensated at the appropriate rate (i.e., straight-time or over-40 hours worked compensation) in accordance with the minimum standards established by the FLSA.

SECTION B:

1. Essential employees required to work when all other DMH employees are released due to Administrative Closings shall earn compensatory time on an hour for hour basis for the shift for which an Administrative Closing has been declared. Administrative Closings are determined by the Employer and may be declared to address such situations that affect all employees (for example, when weather conditions make travel unduly hazardous) but would not include localized conditions (such as a power outage affecting a work area).

2. DMH shall identify essential positions. Each essential employee shall be notified of the essential status of his/her position.

SECTION C:

Employees not designated as essential shall receive compensatory time on an hour for hour basis for work performed on their regularly scheduled tour of duty when all other employees on the same tour of duty in the same work unit are not required to work due to the declaration of an Administrative Closing.

ARTICLE 4: CALL BACK/CALL-IN

SECTION A:

A minimum of two (2) hours of work shall be credited to any employee who is called back to perform unscheduled work either on a regular workday, Monday through Friday until 12 midnight, after he/she has completed the regular work schedule and has left his/her place of employment, or when not scheduled and informed in advance on one of the days when he/she is off duty. When called in on weekends, Saturdays or Sundays, or Holidays, the minimum of four (4) hours of work shall be credited to any employee.

SECTION B:

When an employee is called in before his/her regular tour of duty to perform unscheduled overtime and there is no break before the regular tour is to begin, a minimum of two (2) hours of work shall be credited to the employee.

ARTICLE 5: ON CALL PAY

SECTION A:

An employee may be required to be on call after having completed his/her regular tour of duty. The Employer shall specify the hours during which the employee is on call; and shall compensate the employee at a rate of twenty-five percent (25%) of his/her basic rate of pay for each hour the employee is on call.

For the purpose of this Agreement, on call is defined as – when an employee is required to respond to a phone call or page, and be available to return to a work site within a two hour time frame, unless the union and management agree otherwise.

SECTION B:

The employee's schedule must specify the hours during which he/she shall be required to remain on call.

SECTION C:

The Employer shall provide cell phones or pagers to employees for on-call. In instances where the cell-phone provided to an employee does not operate from his/her on-call location, it is the employee's responsibility to notify his/her management to request a pager.

ARTICLE 6: MILEAGE ALLOWANCE

SECTION A:

The parties agree that the mileage allowance established for the employees of the Federal government who are authorized to use their vehicles in the performance of their official duties shall be the rate for DMH employees who are authorized by Management to use their personal vehicles in the performance of their official duties.

SECTION B:

To receive such allowance, authorization by Management must be issued prior to the use of the employee's vehicle in the performance of duty. Employees shall use the appropriate District form to document mileage and request reimbursement for the allowance.

SECTION C:

1. Employees required to use their personal vehicle for official business if a government vehicle is not available, who are reimbursed by the District on a mileage basis for such use, are within the scope of the District of Columbia Non-Liability Act (D.C. Official Code Sections 1-411 through 1-416 (2001 ed.)) The Non-Liability Act generally provides that a District employee is not subject to personal liability in a civil suit for property damage or for personal injury arising out of a motor vehicle accident during the discharge of the employee's official duties, so long as the employee was acting within the scope of his or her employment.

2. Claims by employees for personal property damage or loss incident to the use of their personal vehicle for official business if a government vehicle is not available may be made under the Military Personnel and Civilian Employees Claim Act of 1964 (31 USC Section 3721).

SECTION D:

While the Department of Mental Health may request an employee to use his/her personal vehicle, after January 1, 2008, no employee covered by this collective bargaining agreement shall be required to use his/her personal vehicle unless the position vacancy announcement, position description or other pre-hire documentation informs the employee that the use of his/her personal vehicle is a requirement of job.

SECTION E:

Employees required as a condition of employment to use their personal vehicle in the performance of their official duties shall be reimbursed for non-commuter parking expenses, which are incurred in the performance of their official duties.

ARTICLE 7: ANNUAL/COMPENSATORY LEAVE BUY-OUT

SECTION A:

An employee who is separated or is otherwise entitled to a lump-sum payment under personnel regulations for DMH shall receive such payment for each hour of unused annual leave or compensatory time in the employee's official leave record.

SECTION B:

SECTION C:

Time off pursuant to a sick leave incentive award shall be selected by the employee and requested at least three (3) full workdays in advance of the leave date. Requests for time off pursuant to an incentive award shall be given priority consideration and the employee's supervisor shall approve such requests for time off unless staffing needs or workload

considerations dictate otherwise. If the request is denied, the employee shall request and be granted a different day off within one month of the date the employee initially requested. Requests for time off shall be made on the standard "Application for Leave" form.

SECTION D:
