Operations Title	Operations Description	Type of Operations
JUSTIS facilitates electronic information sharing among local and federal criminal justice partners.	CJCC operates and maintains JUSTIS, which is the Integrated Justice Information System (IJIS) for the District of Columbia. JUSTIS is available 24 hours a day, 7 days a week, and enables authorized agencies to contribute criminal justice information through an automated data feed. The information is made available to authorized viewing agencies through an information portal, as well as, through a system-to-system exchange.	Daily Service
2 - Facilitate collaboration among criminal and juvenile justice partners for efforts that require participation and input from multiple agencies. (1 Activity)		
Interagency Committees and Workgroups	CJCC facilitates and supports the efforts of multiple committees and workgroups, which include representatives from public safety and justice, education and health and human services agencies in the District, as well as federal criminal justice agencies. The committees and workgroups convene to address a range of system-wide criminal justice and juvenile justice issues with respect to Information Technology, Research and Analysis, Combating Violent Crime, Juvenile Justice, Substance Abuse and Mental Health Services, Adult Reentry, and Grants Planning.	Daily Service
3 - Conduct research and analysis to enhance data-driven and evidence-based decision-making among criminal and juvenile justice partners. (2 Activities)		
Research and Analysis to Support CJCC Priority Areas	CJCC's Statistical Analysis Center (SAC) conducts research and analysis to help inform interagency efforts across several of the CJCC priority areas (combating violent crime, substance abuse and mental health, juvenile justice, and adult reentry).	Key Project
Justice Statistical Analysis Tool	CJCC's JSAT is intended to automate and enhance criminal justice information sharing in the District for the purpose of research and analysis and to enhance justice system agencies' and the public's knowledge, as appropriate, of the state of the District's criminal and juvenile justice systems. JSAT has two components: the JSAT Enterprise, which is available to authorized justice system personnel, and the JSAT Public Portal, which is available to the general public (dcjsat.net).	Daily Service
4 - Provide training and technical assistance to assist partners in making informed decisions when addressing criminal and juvenile justice issues. (3 Activities)		
Public Meetings	CJCC hosts Public Meetings, where community members have the opportunity to engage with partners on relevant criminal and juvenile justice issues that affect District residents.	Key Project
Training and Technical Assistance	CJCC hosts a number of training and technical assistance events to equip District and federal partners with tools for addressing timely and relevant criminal justice and juvenile justice issues. The training events include the annual Criminal Justice Summit, annual Information Sharing Forum, Juvenile Justice Technical Assistance Workshops, Bridging Research to Practice series, and Grants Planning workshops.	Daily Service
Juvenile Justice Compliance Monitoring	CJCC's Juvenile Justice Compliance Monitor ensures the District's compliance with four core requirements of the Juvenile Justice and Delinquency Prevention Act (JJDA): (1) deinstitutionalization of status offenders; (2) separation of juveniles from adults in secure facilities; (3) removal of juveniles from adult jails and lockups; and (4) reduction of disproportionate minority contact within the juvenile justice system. Noncompliance would result in a reduction of grant funding from the Office of Juvenile Justice and Delinquency Prevention (OJJDP). The Compliance Monitor receives and reviews annual admissions reports from all DC juvenile correctional and detention facilities and conducts site visits at each of these facilities. The Compliance Monitor investigates presumptive violations and recommends corrective actions, as needed.	Daily Service
