1 HOMELAND SECURITY AND EMERGENCY MANAGEMENT AGENCY

Mission: The Mission of the District of Columbia Homeland Security and Emergency Management Agency (HSEMA) is to lead the planning and coordination of homeland security and emergency management efforts to ensure that the District of Columbia is prepared to prevent, protect against, respond to, mitigate, and recover from all threats and hazards.

Services: HSEMA plans and prepares for emergencies; coordinates emergency response and recovery efforts; provides training and conducts exercises for emergency first responders, employees and the public; provides emergency preparedness information to the public; and disseminates emergency information.

2 PROPOSED 2024 OBJECTIVES

Strategic Objective

Emergency Operations - Provide situational awareness, logistical and resource support, and a field command operation to coordinate critical incident response, mitigation, and recovery to emergencies and other major events impacting the District of Columbia.

Homeland Security and Intelligence - Improve information sharing among public and private sector partners by providing strategic analysis of regional threats and hazards.

Resilience and Emergency Preparedness - Resilience and Emergency Preparedness is a comprehensive approach to building capabilities related to homeland security and emergency management. It includes the personnel, processes, plans, and resources necessary to build each preparedness capability to target levels. Once built, these capabilities enable the District to prevent, protect against, mitigate, respond to, and recover from the threats and hazards that affect the city.

Agency Management - Ensure that HSEMA provides its divisions with sufficient resources while ensuring that all fiscal requirements are fulfilled.

Create and maintain a highly efficient, transparent, and responsive District government.

3 PROPOSED 2024 OPERATIONS

Operation Title	Operation Description	Type of Operation
Emergency Operations - Provide situational awareness, logistical and resource support, and a field command operation to coordinate critical incident response, mitigation, and recovery to emergencies and other major events impacting the District of Columbia.		
Emergency Operations Center (EOC)	Manage the EOC, a central facility for command and control of emergency operations, which coordinates interagency response to and recovery from major emergencies and works closely with supporting District agencies before and during EOC activations. On a daily basis, the Joint All Hazards Operations Center (JAHOC) serves this function as the 24/7 central hub of communications, processing information from multiple sources to keep District agencies, regional and Federal partners, businesses, and the public informed and create a common operating picture.	Daily Service
Deployment for incident management	Deploy HSEMA personnel across the District to manage incidents, and to other jurisdictions to support incident response and management through EMAC.	Daily Service
Manage Disaster Logistics Center	Manage the District's Disaster Logistics Center warehouse and coordinate disaster logistics operations during incident response.	Daily Service
Homeland Security and Intelligence - Improve information sharing among public and private sector partners by providing strategic analysis of regional threats and hazards.		
Tactical Analysis	Provide tactical intelligence support and open source research, both in response to requests as well as on an ad hoc basis, to public and private sector partners in the public safety community in a timely manner.	Daily Service
Strategic Analysis	Provide strategic analysis and assessments of threats and hazards for public safety partners and decision makers by researching, analyzing, and synthesizing regional patterns and trends.	Daily Service
Information Sharing	Ensure timely, relevant, and vetted intelligence information and analysis related to the safety and security of District citizens and first responders is provided to local, regional, and national public safety partners.	Daily Service
Resilience and Emergency Preparedness - Resilience and Emergency Preparedness is a comprehensive approach to building capabilities related to homeland security and emergency management. It includes the personnel, processes, plans, and resources necessary to build each preparedness capability to target levels. Once built, these capabilities enable the District to prevent, protect against, mitigate, respond to, and recover from the threats and hazards that affect the city.
