MAYOR'S OFFICE ON RETURNING CITIZEN AFFAIRS

Mission: The Office on Returning Citizen Affairs will serve to provide advocacy, constituent services, and information for the empowerment of previously incarcerated persons in order to create a productive and supportive environment for persons returning to the community.

Services: The Office on Returning Citizen Affairs will use all available resources to better acclimate and smooth the transition of returning District residents to the community. The office will provide access to job readiness programs, connect residents to employment opportunities, offer comprehensive case management services, and connect incarcerated residents to their families. This will be accomplished through collaborating with various District agencies and programs to serve this segment of the population.

2 PROPOSED 2024 OBJECTIVES

Strategic Objective

Completion of individualized assessment plans and connecting constituents to essential government and community-based services such as housing, employment and job readiness, behavioral and physical health services, educational and vocational training, clothing, food, and legal services.

Assist with removing barriers and reducing the rate of recidivism, by identification of employers, employment training, and vocational training programs that will assist returning citizens with successful reintegration.

Develop a robust collaborative working relationship with DC Government agencies that offer vocational training, apprenticeship, education, employment and employment training, housing assistance, mental health services, and general health services.

Participate in different taskforce, community forums, and/or community event aimed at reducing stigmas around returning citizens.
